

# TORONTO AREA LIBRARIES

## DIRECT BORROWING

OCAD students can borrow items from any Canadian university library (except University of Toronto and Quebec universities) or from public libraries.

- # Toronto Public Library – you must show **proof of residency** (driver's licence, bill or letter sent to your address, etc.) to obtain a library card. You can acquire a card at any branch.
- # University Libraries – you must present a **valid OCAD Photo ID** card at the main library to receive a **Direct Borrower's Card**.

**Note:** University of Toronto does not offer borrowing privileges to undergraduate students from other academic institutions. To obtain materials from any U. of T. library, you may use OCAD's **Inter-Library Loan service**. Contact Daniel Payne ([dpayne@ocad.on.ca](mailto:dpayne@ocad.on.ca)) for more information.
