Academic Progression - First Year
for students admitted to year 1 prior to 2008

1029

Description:

Students must complete 5.0 credits designated first year with an overall first year pass average of 60%.

Approvals:

Curriculum Committee: pre 2004
College Council: pre 2004

Approval Authority: College Council

Signature:

Policy:

Effective for students admitted to year 1 prior to 2008:

Students complete 5.0 credits in their first year of study:

Studio courses	3.5 credits
Liberal studies courses	1.5 credits

Total **5.0 credits**

Students must achieve an overall average of 60% and successfully complete all five credits of the first year curriculum.

Students may begin second year studies with 3.0 of the 3.5 studio credits and 1.0 of the 1.5 liberal studies credits required and an average of 60%. The first year requirements (5.0 credits with 60% average) must be successfully completed by May 31 of the following year or students will not be permitted to continue in the upper years of their programs

Please note that a cumulative average of 60% must be achieved for the 20 overall credits in order to graduate.
