- Eligibility:** Current undergraduate degree students may declare a minor if they:
- are in good academic standing
 - have completed a minimum of 4.0 OCAD U credits
 - have not yet submitted their Intent to Graduate

Some minors may only be taken by students in designated major/programs. Students may not take a minor in the same discipline as their major/program and may declare a specific minor only once.

Program requirements: Students must follow the requirements outlined in the minor program guide in effect at the time of their minor declaration. For example, students declaring a minor between May 2018 and April 2019 (inclusive) must follow the 2018/2019 minor program guide.

Notes: Failure to complete a declared minor does not carry any academic penalty; however, only completed minors will be recorded on academic transcripts. Completed minors are not recorded on diploma parchments.

Submit completed form via email to regservices@ocadu.ca or in person at the Office of the Registrar.
