## AUDITORS' REPORT

To the Members of the  
**Ontario College of Art & Design Foundation**

We have audited the balance sheet of the **Ontario College of Art & Design Foundation** as at May 31, 2009 and the statement of operations and changes in fund balances for the year then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Foundation as at May 31, 2009 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles. As required by the Corporations Act (Ontario), we report that, in our opinion, these principles have been applied on a basis consistent with that of the preceding year.

## Ontario College of Art & Design Foundation

### NOTES TO FINANCIAL STATEMENTS

May 31, 2009

#### 1. PURPOSE OF THE ORGANIZATION

The Ontario College of Art & Design Foundation [the "Foundation"] was incorporated under the laws of Ontario as a corporation without share capital. The Foundation raises, receives, accumulates, invests and distributes funds and/or income for the benefit of the Ontario College of Art & Design [the "University"].

The Foundation is a public foundation registered under the Income Tax Act (Canada) and, as such, is exempt from income taxes and able to issue donation receipts for income tax purposes.

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Foundation have been prepared in accordance with Canadian generally accepted accounting principles. The following summary of significant accounting policies is set forth to facilitate the understanding of these financial statements:

##### **Fund accounting**

The Foundation follows the restricted fund method of accounting for contributions. The Foundation ensures, as part of its fiduciary responsibilities, that all funds received with a restricted purpose are expended for the purpose for which they are provided.

For financial reporting purposes, the accounts have been classified into the following funds:

##### **[a] Operating Fund**

The Operating Fund accounts for the Foundation's undesignated fundraising activities and reports unrestricted resources available for immediate purposes.

##### **[b] Restricted Fund**

The Restricted Fund reports, as revenue, resources that are to be used for specific purposes as specified by the donor, and, as expenses, the use of these resources for the specified purposes.

### NOTES TO FINANCIAL STATEMENTS

May 31, 2009

#### [c] Endowment Fund

The Endowment Fund reports resources that are required by the donor or the Board of Directors [the "Board"] to be maintained by the Foundation on a permanent basis. Revenue of the Endowment Fund is limited to amounts that have been restricted for endowment purposes by the external contributor.

#### Change in accounting policies

Effective June 1, 2008, the Foundation adopted the recommendations of The Canadian Institute of Chartered Accountants ["CICA"] 1535: *Capital Disclosures*, which require the disclosure of qualitative and quantitative information that enables users of the financial statements to evaluate the Foundation's objectives, policies and processes for managing capital. The adoption of these recommendations only required additional disclosures, which are provided in note 9.

#### Cash and cash equivalents

Cash and cash equivalents consist of cash on deposit and short-term investments with an original term to maturity of less than three months.

#### Investments and investment income (loss)

Publicly traded securities are valued based on the latest bid prices and pooled funds are valued based on reported unit values. Short-term securities are valued based on cost plus accrued income, which approximates fair value. Transactions are recorded on a settlement date basis and transaction costs are expensed as incurred.

Investment income (loss), which consists of interest, dividends, income distributions from pooled funds, and realized and unrealized gains and losses, is recorded in the statement of operations and changes in fund balances.

Investment income (loss) earned on the Endowment Fund or Restricted Fund resources that must be spent on donor-restricted activities is recognized in the Restricted Fund. Investment income that must be added to the Endowment Fund balance is recognized in the Endowment Fund. Unrestricted investment income is recognized in the Operating Fund.

#### Financial instruments

The Foundation has chosen to apply CICA 3861: *Financial Instruments – Disclosure and Presentation* in place of CICA 3862: *Financial Instruments – Disclosures* and CICA 3863: *Financial Instruments – Presentation*.

### **NOTES TO FINANCIAL STATEMENTS**

May 31, 2009

#### **Revenue recognition**

Donor-restricted contributions for endowment purposes are recognized as revenue in the Endowment Fund. Other donor-restricted contributions are recognized as revenue of the Restricted Fund. Unrestricted contributions are recognized as revenue of the Operating Fund. Contributions are recognized as revenue when received since pledges are not legally enforceable claims.

#### **Foreign currency translation**

Monetary assets and liabilities denominated in foreign currencies are translated into Canadian dollars at the exchange rate in effect at year end. Operating revenue and expenses are translated at average rates prevailing during the year. Gains or losses arising from these translations are included in investment income (loss).

#### **Contributed goods and services**

Volunteers contribute a substantial number of hours per year to assist the Foundation in carrying out its fundraising activities. Because of the difficulty in determining their fair value, contributed goods and services are not recognized in the financial statements.

#### **Use of estimates**

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

#### 4. ENDOWMENT FUND

The Endowment Fund consists of externally or internally restricted contributions received by the Foundation where the endowment principal is required by the donor or the Board to be maintained permanently. The investment income generated from assets held for endowment purposes must be used in accordance with the various purposes established by the donors or the Board.

The Endowment Fund consists of the following:

	2009 \$	2008 \$
		<i>[restated – note 10]</i>
Externally endowed funds with income to be used for donor-restricted purposes	<b>6,907,205</b>	6,991,712
Externally endowed funds with income unrestricted	<b>161,901</b>	191,974
Internally endowed restricted funds with income to be used for scholarships and bursaries	<b>242,994</b>	276,096
	<b>7,312,100</b>	7,459,782

Policies have been established by the Foundation with the objective of protecting the real value of endowments by limiting the amount of income available for spending and requiring the reinvestment of income not disbursed. Based on these policies, the payout rate has been set at 4.0% [2008 - 4.0%]. Investment income for the purposes of these policies includes interest and dividend income and realized and unrealized gains and losses, net of fees. In any particular year, should net investment income not be sufficient to fund the payout calculated in accordance with the Foundation's policy, an amount is transferred from the Endowment Fund to the Restricted and Unrestricted Funds. Under the Ministry of Training, Colleges and University's Institutional policy regarding the Ontario Trust for Student Support ["OTSS"] Endowment Fund, the endowment principal [eligible matched donations, provincial and institutional matching funding and unmatched donations] cannot be used to fund OTSS awards and institutions may not implement any policy that would allow them to spend endowment principal, temporarily or otherwise.

During fiscal 2009, the Endowment Fund incurred an investment loss of \$873,592 [2008 - \$148,760]. The amount available for spending of \$109,650 [2008 - \$287,347] was transferred from the Endowment Fund to the Restricted Fund. This amount is included in the funds transferred to the University [note 6[a]].

During fiscal 2009, an amount of \$35,561 was transferred from the Operating Fund to the Endowment Fund for a matching student aid fundraising campaign.

#### **9. CAPITAL MANAGEMENT**

In managing capital, the Foundation focuses on liquid resources available for operations. The Foundation's objective is to have sufficient liquid resources to continue operating despite adverse financial events and to provide it with the flexibility to take advantage of opportunities that will advance its purposes.
