

Creativity Meets Career

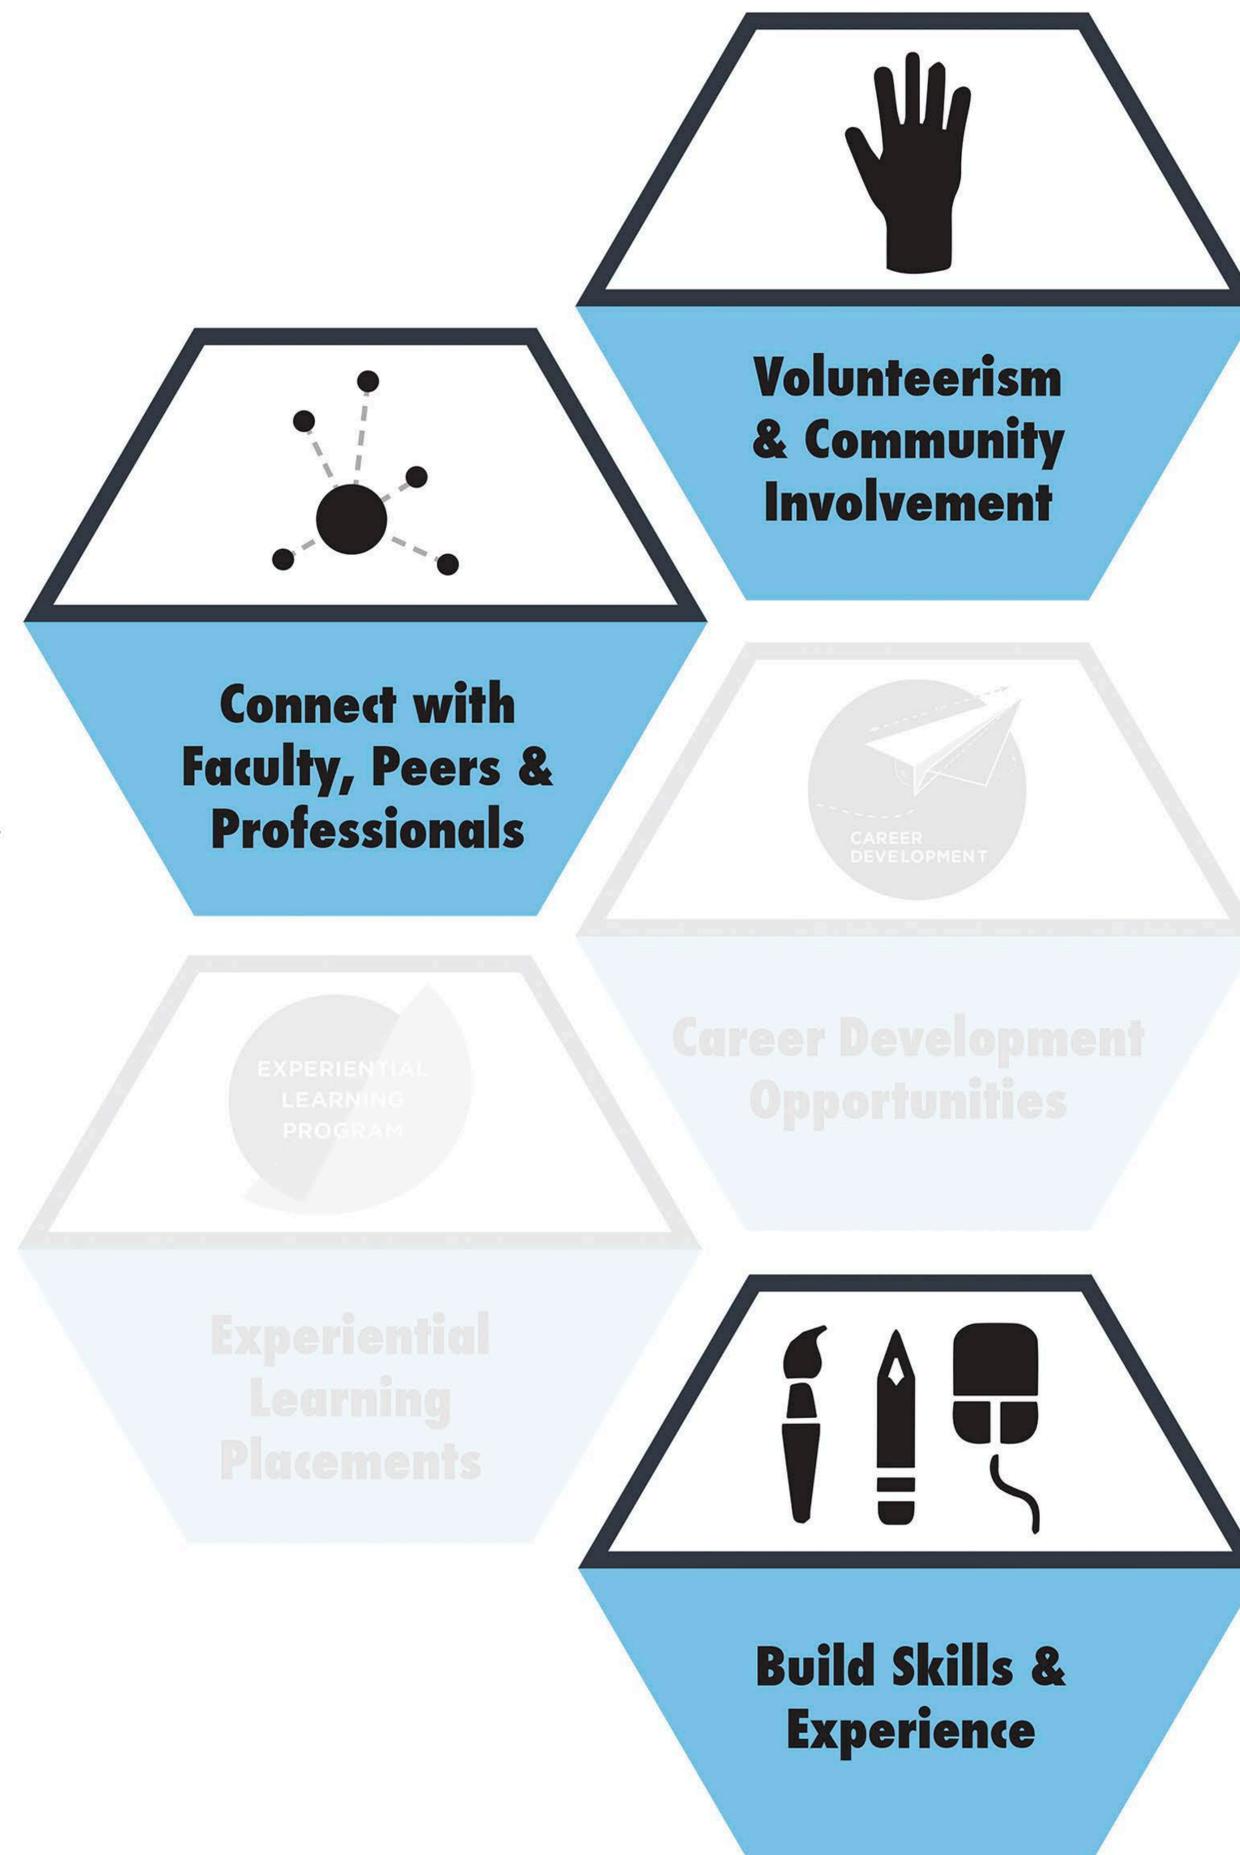

Step #1: Start locally, and reach out.

What services are available to you **right now?**

Step #2: Build on who/what you know by **getting involved** within the OCAD U community...and just beyond.

...

Design

Volunteerism
& Community
Involvement

Step #3: Reflect on the way(s) in which you aspire to **continue your creative practice**...parallel with work, or embedded into it.

Experiential
Learning
Placements

Build Skills &
Experience

Art

Step #4: Seize opportunity. Adapt to change. Commit to a plan.

Use the infographic on the following page to help you

set **objectives,**

identify **knowledge gaps,**

and establish **milestones**

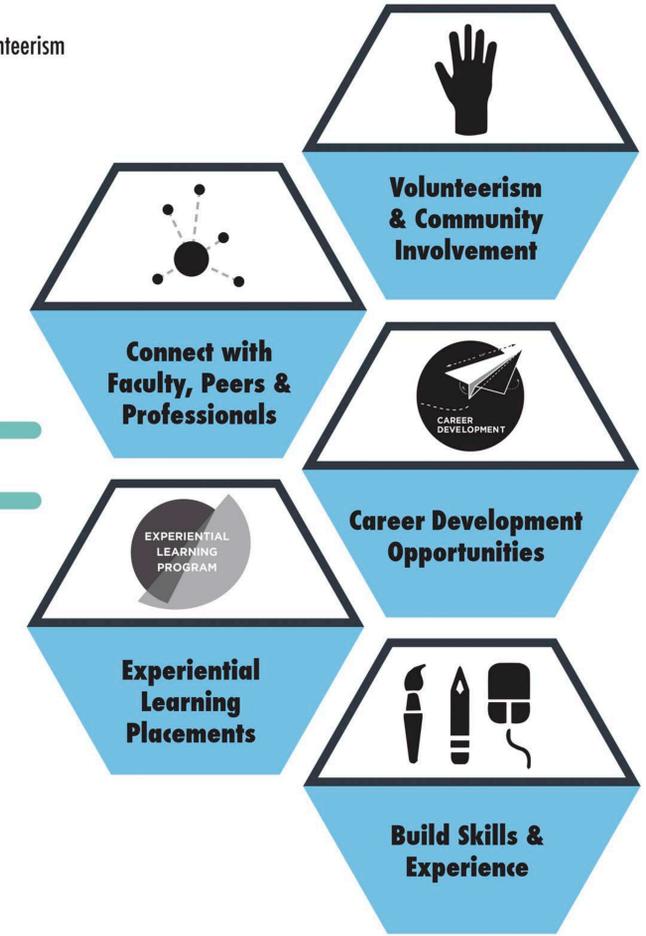

in support of your early-career plan.

Creativity Meets Career

- Goals & Objectives**
What you're striving towards
- Actions**
Things you need to do to reach your goals
- Student Development**
Steps you can take before you graduate.
- Volunteerism**
Denotes that this could be accomplished through volunteerism

Post-Graduation
