

## Design Studies (Minor) – 2025/2026 Program Guide

Not all courses are offered every year. Students are required to meet the pre-requisites for entry into all courses. Carefully check anti-requisites to ensure you do not repeat courses. Special Topic courses may be included upon approval.

**Courses required for a Major program may not be applied to a minor.**

*To access course descriptions, log into My OCAD U Records (Self-Service), click on Student Planning and then select Course Catalog from the Student Planning drop-down menu located on the top of the page.*
