

Experimental Animation (Postgraduate Certificate) – 2025/2026 Program Guide

Not all courses are offered every year. Students are required to meet the pre-requisites for entry into all courses. With the approval of an Associate Dean, a 0.5 credit studio course can be substituted with a 0.5 credit independent study.

To access course descriptions, log into My OCAD U Records (Self-Service), click on Student Planning and then select Course Catalog from the Student Planning drop-down menu located on the top of the page.
