

Photography (Postgraduate Certificate) – 2025/2026 Program Guide

Not all courses are offered every year. Students are required to meet the pre-requisites for entry into all courses.

Courses required for a Major program may not be applied to a minor. At least 1.0 credit of the minor must be at the 3000 or 4000 level.

To access course descriptions, log into My OCAD U Records (Self-Service), click on Student Planning and then select Course Catalog from the Student Planning drop-down menu located on the top of the page.
