

# Experimental Animation (Minor) – 2026/2027 Program Guide

Not all courses are offered every year. Students are required to meet the pre-requisites for entry into all courses. With the approval of an Associate Dean, a 0.5 credit studio course can be substituted with a 0.5 credit independent study.

**Courses required for a Major program may not be applied to a minor. At least 1.0 credit of the minor must be at the 3000 or 4000 level.**
