TEST PROJECT - Student Feedback on Courses-OCAD Test Cycle for (Re) Writing Culture: Reflexive Ethnography I

The Student Feedback on Courses process is designed to provide faculty with feedback that they can use to improve teaching, course design, and students' learning experiences. Your answers to the questions are important, so please respond thoughtfully.

As you complete the survey, you will be asked to rate various aspects of your course. For each question, please select the response that best reflects your experiences. To save your answers and move onto the next section, just click **Next**.

Remember to click the **Submit** button after you complete the survey.

Once final course grades have been submitted, a summary report will be provided to the course instructor and to the Dean of the Faculty. The OCAD U Student Union will be provided with a report on the six OCAD U Student Union questions. Your responses will not affect your grade in this course.

This survey is designed to be anonymous, however, if you choose to identify yourself through your comments, anonymity can no longer be ensured.
