## DESCRIPTION OF PROPOSED SABBATICAL PROGRAM

The granting of sabbatical with pay is, in effect, the awarding of a major research or study grant, which should benefit the University. Individuals applying for sabbatical should keep this in mind, and provide adequate information so that a fair assessment and a reasonable decision may be achieved.

Application components:

1. Application for Sabbatical
2. An updated *curriculum vitae*
3. Any supporting documents (if applicable)

Documents submitted electronically should be in PDF.

## ADJUDICATION CRITERIA

In making decisions to grant, defer, or deny Sabbaticals, the Professional Development Committee normally bases its decisions on the following criteria (as per Article 21.8.2 in the MOA):

- The content and quality of each proposal
- The merits of each proposal and its relevance to the faculty member's teaching duties and professional practice/research
- The relevance of each proposal to the University's educational objectives
- Faculty members' previous Professional Development opportunities, including prior Sabbaticals (if any), which may include reports on accomplishments during such prior Professional Development
- Faculty members' record of service
