CALL FOR ADDITIONAL SUPPORT
SUBMISSION DEADLINE: Sunday, June 4, 2023

Early this year, the OCAD U community was invited to nominate instructors and teaching assistants (TAs) for the University's 2022-2023 Teaching Awards. We now invite all OCAD U students, faculty, staff and alumni to provide additional support/testimonials for this year's shortlisted nominees.

To submit a letter of support for any of the shortlisted nominees, <u>email your letter directly to the nominee by Sunday, June 4th</u>. A list of the shortlisted candidates and their email addresses follow at the end of this document. Please attach your support letter as a WORD doc or PDF to your email.

You may submit support for multiple nominees. Your support letter for each nominee should address as many of the nominee's award criteria that apply. You can review the Teaching Awards Criteria below before you begin writing your support letter(s).

2022-2023 TEACHING AWARDS CRITERIA

CRITERIA FOR THE PRICE, NON-TENURED AND FACULTY AWARDS:

1. Forwards the Academic Plan commitments to decolonization, equity, access and sustainability through course materials and practices
2. Cultivates a student-centered, inclusive learning environment that supports student wellness
3. Develops effective pedagogical techniques or innovations that enhance student engagement, creativity, critical thinking, and learning

ADDITIONAL CRITERIA FOR THE PRICE AND NON-TENURED AWARDS:
In addition to criteria 1 – 3 above, candidates for the Price and Non-Tenured (institutional level) awards will be considered based on the following criteria:

4. Adopts a leadership role or provides leadership through example within the program, Faculty and institution
5. Builds sustained and reciprocal relationships and collaborations with communities within and beyond OCAD University

TEACHING ASSISTANT AWARD CRITERIA:

1. Provides exemplary support to the faculty member
2. Effectively utilizes student resources for learning
3. Aids in the development of student skills to support their academic success
4. Communicates clearly and concisely in person and online
5. Creates a learning environment that values diverse languages, literacies and ways of knowing and communicating
