

## OCADU 2021-2022 TEACHING AWARDS CALL FOR ADDITIONAL SUPPORT SUBMISSION DEADLINE: **Monday, June 6, 2022**

Early this spring, the OCAD U community was invited to nominate instructors and TAs for the University's 2021-2022 Teaching Awards. We now invite all OCAD U students, faculty, staff and alumni to provide additional support for the Teaching Awards Shortlisted candidates.

**To submit a letter of support/testimonial for any of the shortlisted candidates below, you may email your support letter directly to the nominee to include in their nomination support package by **Monday, June 6<sup>th</sup>**.** Email addresses for the nominees are provided below. Please attach your support letter as a WORD doc or PDF.

You can submit support for as many nominees as you like. Your support letter(s) should address as many of the nominee's award criteria that apply. You can review the Teaching Awards Criteria below before writing your support letter.

### **2021-2022 TEACHING AWARDS CRITERIA**

#### **CRITERIA FOR THE PRICE, NON-TENURED AND FACULTY AWARDS:**

1. Forwards the Academic Plan commitments to decolonization, equity, access and sustainability through course materials and practices
2. Cultivates a student-centred, inclusive learning environment that supports student wellness
3. Develops effective pedagogical techniques or innovations that enhance student engagement, creativity, critical thinking, and learning

#### **ADDITIONAL CRITERIA FOR THE PRICE AND NON-TENURED AWARDS:**

In addition to criteria 1 – 3 above, candidates for the Price and Non-Tenured (institutional level) awards will be considered based on the following criteria:

4. Adopts a leadership role or provides leadership through example within the program, Faculty and institution
5. Builds sustained and reciprocal relationships and collaborations with communities within and beyond OCAD University

#### **TEACHING ASSISTANT AWARD CRITERIA:**

1. Provides exemplary support to the faculty member
2. Effectively utilizes student resources for learning
3. Aids in the development of student skills to support their academic success
4. Communicates clearly and concisely in person and online
5. Creates a learning environment that values diverse languages, literacies and ways of knowing and communicating
