

The Easy Way to Pay in Indian Rupee

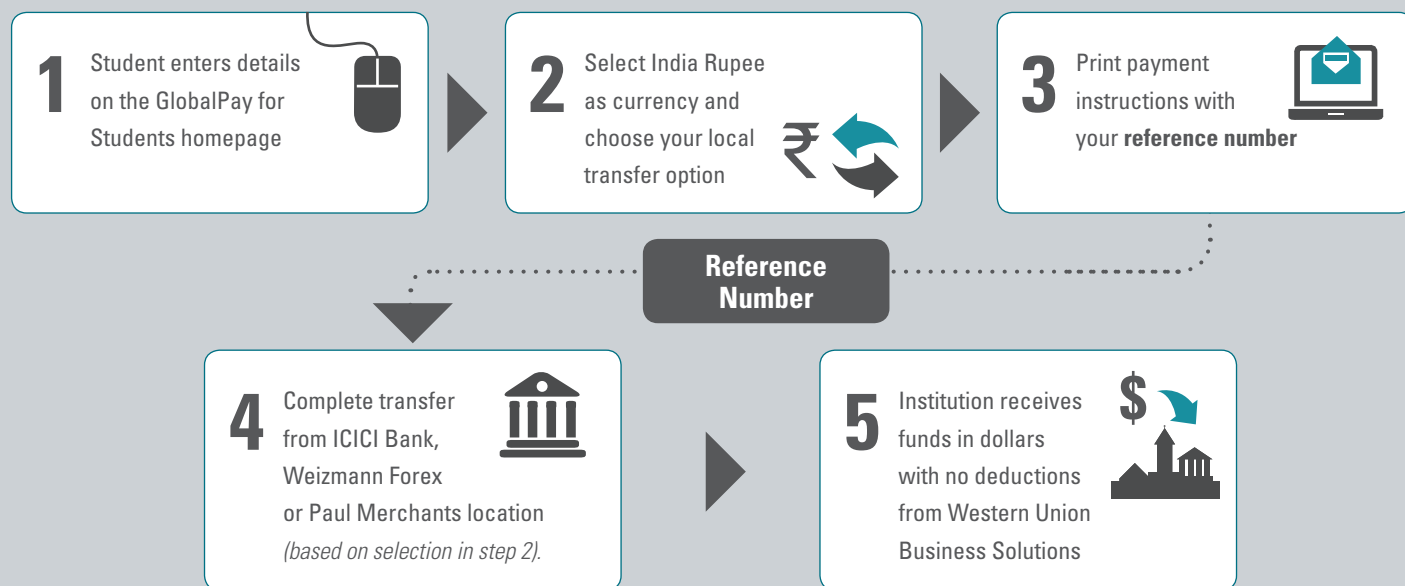

Making payments to your educational institution doesn't have to be difficult.

Through your school's trusted financial services partner, you can pay tuition and other fees from their website, without receiving bank charges.

Simply book your payment online through the WU® GlobalPay for Students platform and transfer funds directly from any ICICI Bank, Weizmann Forex, or Paul Merchants location. Or, for added convenience, you can request a house visit from a trained payments representative.

Your institution receives your funds in full with complete student information attached for one seamless transaction.

How it **works**: Access GlobalPay for Students through your educational institution's website.
